## 10th Annual Great Moonbuggy Race set Friday-Saturday

The 10th Annual Great Moonbuggy Race will be Friday and Saturday at the U.S. Space & Rocket Center in Huntsville. Opening ceremonies will be Friday at 7 a.m. with the "Parade of Moonbuggies." High school races are Friday with college races on Saturday. Race times are at 8:30 a.m. each day. Each moonbuggy is human powered and carries two students -- one male and one female -- over a half-mile simulated lunar terrain. For more information, go to "Inside Marshall."

**April is  
Environmental  
Awareness Month**

**AIAA dinner  
meeting is April  
17. For details,  
see 'Inside  
Marshall'**

## Hazardous and controlled waste generator training set

Training for civil service and contractor personnel involved in the generation and accumulation of hazardous waste at the Marshall Center will be from 9-10:30 a.m. April 16 in Morris Auditorium. Registration begins at 8:30 a.m. All personnel who are designated as a point of contact or as an alternate for hazardous and controlled waste accumulation sites are required to attend this training annually. For more information, call John Troy at 544-4787.
